Onsite water is limited. There is only one source of water and it is via a garden hose at the middle of the block.

Electricity is available from drop boxes **up to 50 feet** away. Bring adequate extension cords. Heavy duty or special outlets require advance notice and are subject to an additional fee. See additional electrical info on Contract.

Although the festival will be adequately illuminated for patrons, we recommend vendors bring additional lights to highlight their interior exhibit space and ensure proper visibility. **GENERATORS are NOT permitted.**

All Spaces are pre-assigned. **No re-assignment is permitted.** Organizers are very considerate of your placement location & are bound by strict Fire Department & City regulations.

As a courtesy, overnight security is provided from 11 pm to 6 am (Tuesday to Sunday ONLY.) You are still advised to secure and conceal all your supplies/merchandise. Event organizers, La Festa Italiana, Inc. & Holy Rosary Church, assume no liability for theft or vandalism.

All vendors are required to be open for business during all hours of operation. The street will be closed at least 3 hours prior to opening. **NO VEHICLES ARE PERMITTED ON THE STREET AFTER 5:00 PM!** (2:00 p.m. Sat & Sun)

### Food Vendors:

La Festa Italiana, Inc. will obtain your Fire License & Health License, as required (see 2016 Schedule of Fees). You must have a clean display and ample signage. Your success ultimately depends on it.

**DO NOT dispose of anything in local trash cans, sewers, or curbside. YOU will be fined by the City and will NOT be permitted to participate in future festivals. ALL refuse produced by YOU must be brought to the dumpster provided, NOT placed in trash receptacles along the street!**

NO Alcoholic Beverages are permitted for sale unless approved by the Committee.

All areas in and around your set up **MUST** be kept clean.
